Document Preparation

1. **Petition for Adoption:** (ORS 109.315)

- Petitioners' full names. (109.315(1)(a))
- The state and length of residency in the state of the petitioner, and information sufficient to establish residency requirement of **ORS 109.309(2)** has been met. (109.315(1)(b))
- Current marital or domestic partnership status of Petitioners. (109.315(1)(c))
- An explanatory statement why the petitioners are of sufficient ability to bring up the Minor Child and furnish suitable nurture and education sufficient for judgment to be entered under **ORS 109.350**. (There is considerable variability regarding the level of detail required by different counties. Inquire as to local practice and consider including: information regarding employment of petitioners, such as employer and length, sufficiency of income, type of residence and space for child, ability to provide medical care, plans for schooling, success with other children, if any, etc.) (109.315(1)(d))
- Information sufficient for court to establish compliance with jurisdiction and venue requirements of **ORS 109.309(4) and (5)** (109.315(1)(e))
- Full name, gender, and date of birth and place of birth of child. (109.315(1)(f))
- The marital or domestic partnership status of the biological mother when the child was conceived and born and during the 300 days prior to the date of birth of the child. (109.315(1)(g))

CHECKLIST FOR PROCESSING OF INDEPENDENT ADOPTIONS

- A statement that the Minor Child is not an Indian child as defined in the Indian Child Welfare Act (**25 U.S.C. 1901 et seq.**) (109.315(1)(h)) or, if the Indian Child Welfare Act applies

If ICWA Applies:

- A statement of the steps taken to comply with ICWA, including judicial consents and any required efforts to notify the appropriate Indian tribe(s) of the adoption. (109.315(1)(h)(A))
- A statement of the efforts made to comply with the placement preferences of the Indian Child Welfare Act or the placement preferences of the appropriate Indian tribe, if required. (109.315(1)(h)(B))
- Name and relationship to child of any person who has executed a written release or surrender of parental rights or of rights of guardianship of the Minor Child as provided by **ORS 418.270** and the date of the release or surrender document. (109.315(1)(i))

Note: Each county has its own policy on the requirement of a consent being notarized. It is good practice to notarize a consent whether or not it is required by statute to avoid rejection by the Court.

- Name and relationship to child of any person who has given consent pursuant to **ORS 109.321** and date consent given. (109.315(1)(j))
- Name and relationship to child of any person or entity for who the consent requirement is waived or not required. (109.315(1)(k))

NOTE: Along with the name and relationship, include a detailed explanation of *why* the consent requirement for this person is waived or not required. Three common scenarios include (1) the case where the birth father has not established paternity, has not taken sufficient steps to accept responsibility for the child such that he is entitled to notice of the adoption and make his consent necessary under ORS 109.092 and ORS 109.096, and is not participating in the adoption process; (2) the case where the birth mother is married, but her spouse is not the genetic parent and is not entitled to notice of the adoption, nor is the spouse's consent required pursuant to ORS 109.326; and (3) the case where the consent of the legal parent or parents whose rights are to be terminated is not required due to abandonment and neglect under **ORS 109.324**. In these cases, the attorney should recite the relevant facts and include reference to the affidavit of a person with knowledge of the facts (often the birth mother or the child's other primary caregiver) swearing to the same.

- Name and relationship to Minor Child of all persons who signed Certificate of Irrevocability under **ORS 109.321(2)**. (109.315(1)(L))
- Statement of the facts and circumstances under which Petitioners obtained physical custody of the child, including date of placement with Petitioners and name and relationship to child of person or entity placing child with Petitioners. (109.315(1)(m))
- Length of time child has been in physical custody of Petitioners; if child not with Petitioners, provide reason, and date and manner in which Petitioners will obtain physical custody of child. (109.315(1)(n))

CHECKLIST FOR PROCESSING OF INDEPENDENT ADOPTIONS

- A statement that Petitioners have been informed of the estimated costs and expenses associated with this adoption proceeding. (109.315(3)(e) and 109.311(1), (2))
- A declaration made under penalty of perjury that the petition, and the information and statements contained in the petition, are true to the best of the petitioners' knowledge and belief and that the petitioner understands the petition, and information and statements contained in the petition, may be used as evidence in court and are subject to penalty for perjury.
